

Giving Opportunities

For more than 50 years, NEFBA has been fueling the Northeast Florida community with skilled craftworkers and a shared commitment to growth. The new **Workforce Development Center** will become the home of NEFBA's Apprenticeship Program and offices—creating a hub for innovation, education, and connection within the building industry.

With your support, we can expand NEFBA's reach, upgrade facilities, and ensure that every aspiring tradesperson has access to an opportunity that is debt-free and hands-on.

There are two meaningful ways to invest in this transformative initiative—by joining us as a **campaign partner** or selecting a **naming opportunity** that reflects your commitment to impact the future of Northeast Florida's workforce.
